

Section 1: Identification

Product Name: Re-Freez-R-Brix® SDS Number: POL135

Manufacturer: Polar Tech Industries, Inc.
415 East Railroad Avenue Genoa, IL 60135
Main Phone #: (815) 784-9000
(800) 243-4229

Emergency Phone #: N / A

Product Description: Re-Freez-R-Brix® is a block of rigid foam that holds its shape frozen or thawed and is reusable. These refrigerants are non-toxic and are sealed in a heavy plastic pouch.

Recommended use: Prevent thawing by packaging frozen Re-Freez-R-Brix® along with product in properly insulated container. Prevent from freezing by packaging warmed Re-Freez-R-Brix® along with product in properly insulated container.

Section 2: Hazard Identification

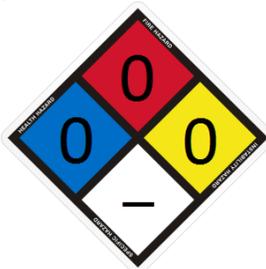

Emergency Overview: Typically pink, fine-celled thermoset phenolic plastic foam with absorbed water enclosed in a white polyethylene bag that does not present a hazard in normal handling and transportation. It is considered an article under section 1.3.2.1.1 of the United Nations, Global Harmonized System Rev 3 (Purple Book). This definition is included in Section 15 Regulatory Information of this SDS.

GHS Pictograms: No label required

GHS Hazard Statements: Not Classified according to GHS REV 4

GHS Precautionary Statements: P301+311: IF SWALLOWED, call a poison center or doctor as a precaution
P305+351+338: IF IN EYES, rinse cautiously with water for several minutes
Remove contact lenses if present and easy to do - continue rinsing
P333+313: If skin irritation or a rash occurs, get medical advice or attention
P411: Store at temperatures not exceeding 300°F

Other Information: NFPA hazard rating:

Section 3: Composition / Information on Ingredients

Material Component:	CAS Number:	Percentage:
1. Water	N / A	≥ 97%
2. Thermoset Phenolic Plastic Foam	N / A	≤ 3%

Section 4: First-Aid Measures

Eyes:	Not normally required. Flush with water for approximately 15 minutes.
Skin:	Not normally required. Wash with soap and water.
Inhalation:	Not normally required. Move victim to fresh air. If difficulties continue, contact a physician.
Ingestion:	Not normally required. If swallowed, contact a poison control center.

Section 5: Fire-Fighting Measures

Flash Point:	N / A
Flammable Limits:	N / A
Extinguishing Media:	CO ₂ , Dry Chemical, Water
Special Fire Fighting Procedures:	N / A
Unusual Fire and Explosion Hazards:	N / A

Section 6: Accidental Release Measures

Large or small spills:	Absorb any liquid. Place material in suitable container for disposal. Inert solid waste to be disposed of in accordance with Federal, State and local regulations.
------------------------	--

Section 7: Handling and Storage

Handling Precautions:	Avoid any actions that would cause bags to be sliced or cut, in order to prevent spills.
Storage Precautions:	Do not exceed safe height when stacking cases, in order to prevent spills or falls. Do not stack pallets. Avoid temperatures in excess of 300 °F.

Section 8: Exposure Controls / Personal Protection

Protective Gloves:	Not normally required. Wear if deemed appropriate.
Eye Protection:	Not normally required. Wear if deemed appropriate.
Other Protection:	N / A

Section 9: Physical and Chemical Properties

Appearance:	Wetted, typically pink foam in white Hermetically sealed polyethylene (GRAS) bag		
Odor:	None	pH:	N / A
Vapor Pressure:	20°C (68°F)	Vapor Density:	N / A
Boiling Point:	212°F/100°C (Water)	Melting/Freezing Point:	32°F/0°C (Water)
Specific Gravity:	Not Available	Flash Point:	N / A
Solubility in Water:	N / A	Ignition temperature:	600°F

Section 10: Stability and Reactivity

Stability:	Stable
Hazardous Polymerization:	Will not occur
Conditions to Avoid:	Temperatures above 300°F
Incompatibility (materials to avoid):	No known incompatible materials
Hazardous Decomposition Products:	Not Available

Section 11: Toxicological Information

General:	Under normal conditions, no adverse health effects are expected. The foam is an inert solid waste and non-toxic.
----------	---

Section 12: Ecological Information

N / A

Section 13: Disposal Considerations

Disposal:	Place in a suitable container for disposal. Foam is an inert solid waste to be disposed of in accordance with Federal, State and local regulations
-----------	--

Section 14: Transport Information

Proper Shipping Name:	Not regulated
Transport Hazard Class:	N / A
ID Number:	N / A
Packing Group:	N / A
Marine Pollutant:	N / A

Section 15: Regulatory Information

TSCA:	All components are listed or exempt from listing on the TSCA inventory.
CA prop 65:	This product contains no chemicals known to the state of California to cause cancer, birth defects or other reproductive harm.
Article:	Article means a manufactured item other than a fluid or particle: (i) Which is formed to a specific shape or design during manufacture; (ii) Which has end use function(s) dependent in whole or in part upon its shape or design during end use; and (iii) Which under normal conditions of use does not release more than very small quantities, e.g., minute or trace amounts of a hazardous chemical (as determined under the hazard determination provisions of the standard), and does not pose a physical hazard or health risk to employees.

Section 16: Other Information

Last Revision Date	03/06/2019	Preparation Date	03/17/2000
