

How to create and send tax exemption certificates to Polar Tech Industries, Inc

Are you tax exempt?

If you qualify for tax-exempt status on the products you are purchasing, please provide the state specific tax-exempt documentation in advance, prior to placing your orders.

Polar Tech uses Avalara Inc to manage and administer our customer tax exemption certificates. You may use this helpful How To guide to upload your exemptions to [Avalara CertExpress](#).

Your data will be entered through a secure site and the information is used for the exemption certificate purposes only.

Option 1
Choose either "Add an exemption certificate"

Option 2
Choose "Import exemption certificates"

OPTION 1

Add an exemption certificate

You may use option 1 to upload one exemption certificate at a time. This is the recommended option to properly process each document for successful upload.

OPTION 2

Import exemption certificates

You may use option 2 to upload multiple exemption certificates at a time. Note that if any one document fails the import, it will reject the entire batch. This option is **not** recommended as you may be required to resubmit all documents one at a time.

Please do NOT submit previously completed forms as many state regulations have changed over the years and require updated certificates. Certificates that are prepared by using this online system will comply with jurisdictional tax laws.
